[REDACTED] LIAISON Called John Elliff, Senate Select Committee on Intelligence staff, and told him the Director could appear on 21 July in open session before the Committee on S. 1566, the electronics surveillance bill. I told Elliff I wasn't sure if the Director could appear on 27 July for an executive session but that I was confident the Agency could furnish a spokesman. Elliff said he was drafting a letter of invitation to the Director requesting an appearance on those two dates.
